### '85s in NYC!

Saturday, February 20th  
5:30pm before the Men's  
Basketball game @ Columbia  
**Mel's Burger Bar**  
**2850 Broadway @ 11th St**

Let's root for the away team, but fuel up 1st! This is my inaugural event as the NY area social chair (how did this happen?), so please don't leave me sitting by my lonesome at the bar. Shoot me an email/text me/call me to let me know you're planning on coming... any questions welcomed as well. Cheers,

## hello fellow dartmouth '85s!

We don't want you to miss a thing...

### CLASS OF '85 WEBSITE ([www.dartmouth85.com](http://www.dartmouth85.com))

Did you know that our own Jeff Weitzman '85 was named 2014 Class Webmaster of the Year by the College? The College calls what Jeff has created for us "clean and current" and "rich in content," with "helpful online tools and resources." Thank you, Jeff! It's all there: upcoming events, links to rsvp to class and college events and to see who else is coming, an online portal to pay your class dues and donate to class projects, and more. Time to make checking our class website a part of your weekly routine!

## News from Hanover...

This morning, President Hanlon and Provost Dever sent a message to the campus community announcing the important work the College is undertaking to create an inclusive community. In the spirit of how great it always is to get a glimpse of what is happening on campus, we thought we'd share their letter here (open, then click on "About"):
